Lagniappe Homecare Alexandria earns 2025 SHPBest™ Award

Alexandria, LA, Sept. 15, 2026 – Lagniappe Homecare Alexandria has been recognized by Strategic Healthcare Programs (SHP) as a “Superior Performer” for achieving an overall patient experience score that ranked in the top 20 percent of all eligible SHP clients for the 2025 calendar year.

The annual [SHPBest™ award program](#) was created to acknowledge home health agencies that consistently provide high-quality service to clients. The 2025 award recipients were determined by reviewing and ranking the overall experience score for more than 3,200 home health providers.

"Providing excellent patient care takes relentless effort, and our SHPBest award winners embody that every year. This program lets us recognize the organizations that never settle, that keep improving the patient and caregiver experience even when they're already performing at a high level. That kind of commitment deserves to be celebrated," said Jason Ballet, President of SHP.

Lagniappe Homecare has received SHP Best recognition for patient satisfaction at the premier and superior level for several years in a row since 2019.

“It is our honor and privilege to serve clients all over Central and North Louisiana,” said Tara Meher, Lagniappe Homecare Alexandria director. “This award is a testament to the high quality of care and compassion our team provides each and every day.”
